My name is George Anderson, and I am a candidate for the County Council. I have been a resident of Kauai since 1961.

Family: Married to the former Irene Mahor (Hanalei). Seven children, sixteen grandchildren, plus one great-granddaughter.

Service Record: Four years active duty – Navy. Radarman Third Class, Ship's Librarian, Ship's Postman, and Captain's Personal Phone-Talker.

Work experience: Linotype Operator (Garden Island), Carpenter, Builder, Wastewater System Designer-Installer, Taro Farmer, and Hydroponics Farmer, My wife and I also started and ran the Hanalei Farmers' Market for four years.

Community Service: Board member and three times president - Hanalei Community Association; Red Cross Coordinator – Hurricane Iniki (Hanalei); Working foreman – Construction of the Hanalei Community Center.

Our Housing situation is critical; Our Traffic problems exasperating; Our Police Department is in chaos; Our Fire Department is demoralized; and the County Council is spending our tax money to stop a citizen initiative for tax relief! We need to DO something to solve our problems – not just talk about them. Our Land Use Laws and Comprehensive Zoning Ordinance must be enforced; we desperately need to build roads to alleviate our traffic problems; and we must de-politicize the Police and Fire Departments.

Kauai needs a new County Council. Electing one or two new members won't change things. I urge you to look at all the candidates and support any new candidate that you believe is qualified. One thing is for sure – we can't do any worse than our present Council!
